KEEP LEARNING

Attend Professional Development Tracks:

- ★ 911 Operations
- ★ Supervision & Management
- ★ Emerging Technologies
- ★ Wellness / Compassionate Care

Become more knowledgeable in your field, more valuable to your agency and co-workers, and better equipped with the latest tools to keep our communities and the public safe.

In addition to the 52 Professional Development Sessions, there are other learning opportunities that include Emergency Communications Center tours, Keynote Speakers, P.O.S.T. training and APCO Chapter business sessions.

EXHIBIT HALL

The exhibit hall is open for two days giving you plenty of time to visit with more than 80 vendors.

Walking through the hall, you'll get to try out the latest technologies and services in emergency communications, test out furniture, learn about new software and see what is available to help you do your job.

See product demos on the latest CAD systems, 9-1-1 systems, logging recorders, headsets, chairs, GIS software, new radio system equipment, and field testing and servicing tools.

Get help finding new radio channels or maintaining your FCC Licenses.

CREATE CONNECTIONS

Spend time with peers at special events, including receptions, breakouts and our "Evening with the Stars" celebration.

Network with attendees from throughout California, Arizona and Nevada that work in emergency communications.

Make contacts with exhibitors from companies that provide equipment and services to Public Safety.

Enjoy an evening of friends, food, drink and live music on the pool deck under the stars.
