Dear Gary,

On behalf of the Board of Directors of the Association of Public-Safety Communications Officials (APCO) International, I congratulate the California Public-Safety Radio Association (CPRA) on its 75th anniversary. We thank you for your chapter's continued work to advance public safety communications not only in Southern California, but across the nation and the world. CPRA is a model chapter and the contributions of your more than 500 members will continue to have a great impact on the public safety community as a whole, as well as the safety of all the citizens, residents and visitors your members serve.

We are extremely proud of CPRA's success in reaching this milestone as a vital part of the APCO International family. It is our pleasure to collaborate with such a revered organization and we look forward to many more years of working together to advance the cause of public safety communications professionals everywhere.

Continued best wishes.

Sincerely,

William D. Carrow
President
