

EMPLOYER'S CONCURRENCE OF CANDIDACY

_____ has discussed the desire to declare candidacy for election as an Officer of the Southern California Chapter of the Association of Public-Safety Communications Officials-International, Inc. (APCO International). As the candidate's employer, I am keenly aware of the value in APCO's mission and the honor of APCO service.

During our discussion, we reviewed the candidate's need for strong support from the employer to effectively serve as an elected Officer of the Chapter's Executive Committee. This support includes, but may not be limited to, the following:

1. The commitment of time to the performance of one's duties as an officer of the Chapter. At minimum, this includes travel away from the workplace for monthly Chapter meetings and Quarterly Executive Committee workshops. Additionally, travel to regional and national conferences may be necessary. The cost of travel may be paid by the Chapter if travel is outside of Southern California. It also may include time during the normal workday while at the workplace. The commitment of time will extend over the entire period that an individual serves as an Officer on the Chapter Executive Committee.
2. The need for the candidate to have access to telephone, computer, and mail services at the workplace during normal work hours.
3. The need for the candidate to have access to an e-mail account during normal work hours that allows for incoming messages with attachments to be delivered to the candidate individually.
4. While the Chapter provides portable computer equipment to Officers as necessary, a candidate may need access to fixed computer equipment and a printer at the workplace.
5. Special arrangements may be needed to allow the candidate to complete his/her normal work. The Chapter may provide reasonable assistance in satisfying those arrangements. Such assistance should be discussed with the Chapter President.

I hereby agree to provide the support identified above. I concur with my employee becoming a candidate for office in the Southern California Chapter of APCO International and, if elected, serving a full term as an Officer on the Chapter Executive Committee.
