

Annual Report 2024

The California Public-Safety Radio Association, Inc.

The Southern California Chapter of APCO International

TM

The California Public-Safety Radio Association, Inc.

The Southern California Chapter of APCO International

The California Public-Safety Radio Association, Inc. (hereinafter referred to as CPRA) was originally founded on January 9, 1935 at Glendale, California as a statewide group called the California Police Radio Association. Because California is so large, it was decided in 1941 to divide the state between North and South. A line was drawn from east to west through Fresno. The group to the north of Fresno was known as the Northern California Police Communication Officers. This group is now known as the Northern California Association of Public-Safety Communications Officials or NAPCO. The group south of Fresno was at first known as the California Police Communication Officers but shortly afterward the Southern California group changed the name back to the original California Police Radio Association (CPRA). On April 1, 1945, CPRA became the 13th chartered chapter of the then Associated Police Communications Officers (APCO), officially becoming the Southern California Chapter of APCO. Since it was a separate organization that predated APCO when it joined in 1945, the Chapter's corporate name, California Police Radio Association, Inc., was allowed to be grandfathered. In 1953 the Southern California Chapter, in order to better reflect its membership, changed its corporate name to the California Public-Safety Radio Association, Inc. In 1956, the Association followed suit and changed its name to the Association of Public-Safety Communications Officials, Inc. (hereinafter referred to as APCO). All other present and future chapters are now required to use APCO in both their chapter and corporate names.

Today, the Southern California Chapter of APCO is made up of over 600 local volunteer public safety professionals from Police, Fire, EMS, 9-1-1, State/Local Government, Tribal, Military, Forestry, Highway and Conservation services who volunteer their time and expertise for the betterment of public safety communications. It represents more than 250 Public Safety agencies and 9-1-1 Public Safety Answering Points (PSAPs) who serve over 23 million people throughout Southern California. Our Corporate members, who provide products or services to public safety, also support and participate in many of the activities of the Chapter. The Southern California Chapter of APCO meets monthly in various Southern California locations.

The Southern California Chapter of APCO is an all-volunteer 501(c)(3) non-profit charitable organization which provides its members with Operational and Technical education and training, discusses the current critical issues affecting Public Safety and 9-1-1 PSAPs, disseminates the latest information on emerging technologies including Next Gen 9-1-1 and FirstNet, reports on FCC Regulatory notices and actions, conducts monthly Frequency Coordination meetings, advises on the current activities at APCO International, and provides an opportunity for networking with peers. Additionally, the Chapter holds special events throughout the year, including: an Annual Public Safety Awards Banquet in April that recognizes the top 9-1-1 Practitioners & Technologists in Southern California; an Annual California APCO State Training Conference & Exposition in October that provides 3 days of professional development training and displays the latest equipment and services for Public Safety; and an Officer Installation Dinner & Holiday Celebration in December.

MISSION:

APCO is an international leader committed to providing complete public safety communications expertise, professional development, technical assistance, advocacy and outreach to benefit our members and the public.

VISION:

APCO commits to strengthen our communities by empowering and educating public safety communications professionals.

execcouncil@cpra.org

It is my honor to submit the 2024 Annual Report on behalf of APCO's Southern California Chapter (CPRA) Executive Committee and our Chapter membership.

As we represent approximately 220 PSAP's in Southern California, we continued to host monthly membership and Frequency Coordination meetings throughout the various counties. We do this to give our members more opportunity to attend the in-person meetings.

In February, **John Wright** replaced **Ernest Gallo** as our Chapter Webmaster, and with the assistance of the NAPCO Chapter webmaster; he created a brand-new Chapter Website. The new chapter website is now found at <https://SoCalAPCO.org>. The new site has a SSL certificate and has the "https" secure site indicator that shows the site is secure when downloading documents or doing business at the Chapter online store. Our old website at www.cpra.org site was not secure.

In April, we celebrated National Telecommunicators Week with our Annual Public Safety Awards Banquet held at the Knott's Berry Farm Resort Hotel. We had 280 attendees who helped us celebrate this year's award winners and nominees.

In May, some of your Chapter Officers attended the Western Regional Conference at the Boise Centre in Boise, ID. They represented the Chapter at the Annual Western Region Consortium Meeting held at the Conference each year.

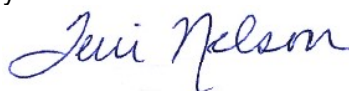

Also in May the Chapter Quorum approved a new position of Social Media Coordinator to facilitate the Chapter's Social Media presence in areas such as Facebook, LinkedIn, and Group Email blasts to the membership. **Liza Kester**, UC Santa Barbara PD, was appointed by the Executive Committee to fill the position and she has been hard at work keeping the membership up to date on the latest activities.

In August, members of the Chapter Executive Committee attended the APCO International Conference held in Orlando, FL. While attending, members participated in the Executive Council sessions & Frequency Coordinator Training, and promoted the first Annual California State Training Conference & Exposition in October.

In October, in joint partnership with the NAPCO Chapter, we held our first Annual California APCO State Training Conference & Exposition at the Hyatt Regency in Garden Grove, CA. The 3-day event saw over 650 attendees who visited 86 vendor booths, attended 45 training sessions, and networked at the "Evening Under the Stars" event. The Conference Chair was **Ron Dunn**, Riverside Police Dept. (retired). The Conference was a great success and the 2025 California APCO State Training Conference will be held in Sacramento in October next year.

In December, we finished the year with the Officer Installation Dinner at Brewheim in Anaheim, CA. With the support of our many commercial partners, the Chapter was able to hold an amazing dinner event enjoyed by all.

Looking forward to 2025, our Chapter will be celebrating its 90th year anniversary! We hope you will celebrate with us. Thank you everyone for your support and participation this past year.

Terri Nelson

2024 SoCal APCO Chapter President

2024 Annual Report

California Public-Safety Radio Association, Inc.

Reporting Period

This report reflects activity of the CPRA Chapter of the Association of Public-Safety Communications Officials (APCO) – International from **January 1, 2024 to December 31, 2024.**

Area Served

The Southern California Chapter of APCO International serves public safety professionals from the following ten (10) geographic counties within Southern California: Imperial County, Kern County, Los Angeles County, Orange County, Riverside County, San Bernardino County, San Diego County, San Luis Obispo County, Santa Barbara County, and Ventura County. These Public Safety agencies serve over 23.8 million citizens (60% of the State's population), encompassing 56,512.35 square miles, and is the second most urbanized area in the United States.

Contact & Social Media Information

The CPRA Chapter of APCO International is an all-volunteer organization, and as such, does not have employees nor maintains a physical business location. Postal box, Social Media, and automated message services are utilized for correspondence with the Chapter.

Primary Address: **3410 La Sierra Ave., #F1185
Riverside, California 92503**

2024 Annual Report

California Public-Safety Radio Association, Inc.

Financial Notes:

The Financial Summary contained within this report reflects all financial activity of the CPRA Chapter of the Association of Public-Safety Communications Officials (APCO) – International for its 2022 fiscal year:

January 1, 2024 to December 31, 2024.

TAX Identification:

CPRA is an IRS designated 501(c)(3) non-profit charitable organization. TIN #: **95-4234700**.

CPRA is a registered State of California domestic non-profit corporation: Entity ID #: **C0250665**

Agent for Service of Process: William Dunlevy, 1200 Paseo Camarillo, Ste. 255, Camarillo, CA 93010

A copy of the Chapter's current IRS W9 form is available on the Chapter website at www.cpra.org.

Banking: US Bank, 9811 Magnolia Ave., Suite B, Riverside, CA 92503

Accounts: US Bank Non-Profit Organization Checking; US Bank Business Visa Credit Card.

Credit Card processing for payments to the chapter is provided through US Bank and Square. All Square credit card transactions are direct deposited into the Chapter's Non-Profit Checking Account. Additionally, the Chapter utilizes Zelle to accept mobile payments to the Chapter. All Zelle transactions are direct deposited into the Chapter's Non-Profit Checking Account. Other than for issuing electronic refunds for payments already received by the Chapter, no outgoing payments are allowed utilizing Square, Zelle, Cash Cards, Gift Cards, or Bank Transfer.

Payments: All outgoing payments are limited to Chapter Check, Chapter Credit Card, or Petty Cash only.

APCO Dues: Association dues designated for the CPRA Chapter are direct deposited monthly from APCO International into the Chapter's Non-Profit Checking Account. CPRA is an APCO Tier II dues chapter.

Assets: Per Chapter Financial Policy, equipment valued at \$500 or greater is determined to be an "Asset" of the Chapter and therefore reportable to the IRS. Equipment value is depreciated annually at the current IRS published depreciation schedule. Chapter equipment valued below \$500 is determined to be a non-asset item and is tracked in separate inventory records. Equipment depreciated to zero (\$0.00) value is not reflected in this report.

Financial Policy: The CPRA Chapter's Financial Policy may be found within the Chapter Policy & Procedures Manual, on pages 26-37. A current copy of the CPRA Chapter Policy & Procedures Manual, as well as the CPRA Chapter Constitution & Bylaws, is available on the Chapter's Website.

Financial Audit: All financial records are annually reviewed and audited by the Chapter Finance & Audit Committee as prescribed within the Chapter's Financial Policy of the Chapter Policy & Procedures Manual.

Tax Filings: Chapter accounts, Chapter asset inventory, and Chapter State and Federal tax returns are annually reviewed; filings prepared, and required documents filed by the independent professional Accounting Firm of Daniel B. Heyman, CPA – A Professional Corporation, PO Box 261787, Encino, CA 91426.
